Dave Krutzfeldt
Regional Workforce Development Board
Indian Hills Community College

Dear Chairman Krutzfeldt,

This letter is to inform you that Goodwill of Central Iowa will be withdrawing from the Regional Workforce Development Board and will be transferring its Fiscal Agent Responsibilities to Indian Hills Community College in order to administer the Ticket to Work dollars for the Region, effective January 17, 2020.

The partnership between Goodwill of Central Iowa, Indian Hills Community College and Iowa Works Ottumwa has been beneficial to the Region for several years; however, due to a precipitous drop in Ticket to Work incentives, we are no longer able to support a full time staff member at this revenue level.

We wish you the best with the future of this program and will work with Jennifer Erdman to facilitate any transition of duties.

Sincerely,

Katherine Riley Harrington
Director of Mission Services
Goodwill of Central Iowa
