Roll Call- Quorum established

Approval of Agenda- Curt Duffield made a motion. Kelly Hinds seconded. None opposed.

Approval of February 22, 2021 minutes. Melissa Vorrie made a motion. Kelly Hinds seconded. None opposed.

Discussion/Open Issues-

- Lori provided an update on past actions by DAC and next steps, pending guidance from the board. Role of DAC as advisory group.
- Physical and Program Accessibility- Will plan to complete updated physical review. Shared previous program accessibility checklist completed and will review this and use as a guide for next

steps on accommodation needs and training. Curt mentioned signage is hard to find (not a disability related concern). Had past round table events and Lori will share those results for ideas on improving access and making customers with disabilities feel more welcome. Faith would like to see how to market available services to disability groups.

- Training- Need to determine priorities.
- Integration continuum- Outreach and Intake- marketing to disability groups, Business Services
