### **Disability Access Committee**

April 13, 2022  
2:00 pm – 3:00 pm  
VIRTUAL

1. Local Board DACs: Daniel Tallon

Discussed how we could help local boards in re-organized local areas to stand up DACs and see the importance of local DACs.

2. Contact from the Lead Center who is looking for any DACs that are addressing strategies that promote diversity, equity, inclusion and accessibility in the workforce program or system.: Brian Dennis

Discussion of strategies for gathering data on level of comfort with the workforce system among minority communities. We need to find out what the barriers are and how we can increase engagement. Proposed holding listening sessions throughout the state to collect information to guide meaningful action.

3. Other business

None.
