

Region 7 : Question and Answer RFP 2016, 03/18

1. Regarding proof of liability insurance for the WIOA Youth: specifically who/what should be covered? Are you asking for proof that the program is covered?

Answer: Proof of liability insurance would need a copy of the insurance. It is used when/if a participant enrolled in WIOA is hurt on a training site or worksite. It would also cover damage incurred by a participant's negligence.

2. What type of bond coverage is required for the WIOA Youth program? Who should be covered?

Answer: There is no bond requirement in the RFP, just liability insurance.
