

Youth Standing Committee Meeting

12-8-16

Members in attendance:

Karen Swanson, IHCC High School Program Coordinator

April Maldonado, IHCC HiSet

Troy Seeley, Juvenile Court Services

Becky Schmitz, Jefferson Co. Supervisor

Susie Drish, WIOA Generalist

Guests:

Martha Wick, Chair of the RWDB

First item on Agenda is Martha Wick explaining the changes to meet the standards of the WIOA Program and how it affects this committee. The Regional Workforce Development Board (RWDB) that she is currently the Chair of will be reviewing current board members and their positions and making sure they meet the requirements for the new board structure. A member from the RWDB has to chair the Youth Standing Committee, once the board is structured it will ask for a volunteer.

Becky Schmitz, Susie Drish and Jennifer Erdmann went over the current by-laws and made changes to adapt to the new structure for Youth Standing Committee. Copies of the by-laws were passed out and suggestions were made, once the changes are made I will send them out by email and ask for a vote to approve.

Dates for the 2017 meetings were approved.

Passed out the Revised Resource Booklets.
