

**Regional Workforce Development Board**

Recruitment Committee Agenda

May 10, 2017

12:00-1:30 pm

Cedar Rapids IowaWORKS

- I. Overview of plans for transitioning board to 23 members
- II. Determine appropriate timeline for making transition to share with full board
- III. Identify current board openings
- IV. Generate ideas for potential candidates to share with full board

**TABLE IV: WIOA § 107(b) VOTING MEMBERSHIP MATRIX**

**LOCAL BOARD WITH BOTH VOCATIONAL REHABILITATION PROGRAMS REPRESENTED**

- The following matrix represents a local board voting membership structure that complies with the requirements in WIOA § 107(b). It has representatives of both IVRS and IDB, the two core partners administering Vocational Rehabilitation Programs under the Rehab Act.
- A Region may add additional members as voting members. Doing so requires adding additional representatives of business and the workforce in order to maintain their mandatory percentage shares of voting membership under WIOA § 107(b).
- A Region may add optional members as nonvoting members. Doing so does not impact the business and workforce mandatory percentage shares of voting membership under WIOA § 107(b).
