

Title 1 (Adult, Dislocated Worker, and Youth) Updates

November 28, 2018

Navigating Your Journey

Navigating your Journey was implemented the week of September 24, 2018. We have had 86 people sign up and 35 (40%) start the program. Of the 35 who started, 34 successfully completed (97%). So far of those 34, 9 have moved into additional training, with others identifying career pathways, or signed up/waiting to start training. Sessions at this time are only offered in Cedar Rapids but will begin in Iowa City January 2019. We will continue to report on students progressing through to training and training completion rates as compared to previous years.

Here are some thoughts from the students:

- “Great class”, “Fun, upbeat, informative”, “Class had a good vibe”
- “It wasn’t that bad”
- “Learned to respect my team mates”
- “Changed my way of thinking”
- “You guys accepted me”
- “Learned about colors and how to work with others”

Women in Non-Traditional Careers

On October 5, 2018 a Women in Non-Traditional Careers event was hosted through a partnership of IowaWORKS, KCC workforce programs (GAP, PACE, High School Completion and ESL), KCC Corporate Training, Goodwill and Department of Corrections. Twenty women attended the event. They were able to attend information sessions to hear from women working within these industries. They learned about the high demand for careers in construction, transportation and manufacturing, as well as typical job duties, work environment and pay. Next they toured three different worksites showcasing those three areas. Women were provided with transportation to all worksites and they were provided with breakfast and lunch.

Waitlist ended for Adult program

As mentioned earlier this calendar year, we have had a wait list for the adult program since June 2018. We received new funding October 2018 for the adult program allowing us to open up the program for enrollments. Fortunately, we were able to minimize the number on the wait list by connecting them with other tuition assistance programs. Some on the wait list, ended up moving into the workforce instead of training, and are happy with their new jobs. We only had 1 person on the list as of October 1. I credit our team with doing a great job of providing coaching, counseling, support and referrals to help these individuals get the services they need and keeping our list as low as possible.
