**MEETING MINUTES**

**Call to Order by David Mitchell, Chair.**

**Roll Call.**

**Welcome and Introductions, David Mitchell, Chair.**

**General Discussions:**

- Accessibility.
- Surveys.
- Accessibility Checklist.
- Training.

**Summary:**

1. Training videos implemented - focused on staff development.
2. Access points to be considered
3. Further review on accessibility- program, physical
4. What do you need support for state level? - survey from state level to local committees
5. Integration Continuum Self-Assessment will be addressed initially with VR and WIOA Directors
6. Engage local committees and have them tell us what their next steps are? Can we share as promising practices? This will be communication to the local committees asking them to share.
7. Store results in common area on website.
8. Make sure local committees are reporting out progress/goals and resources to expand connection with local regional boards.
9. Present as a model to the state board. Develop short video segments that can be shared with state board.
10. Setting up expectations for providers for people with barriers to employment. If the right services and the right supports are in place, individuals are capable of doing amazing things.
11. Training and overview of Motivational Interviewing for all partners - the concept of improving services and meeting people with where they are at and helping them move forward.

**Action Steps:**

1. Work with IWD IT on develop of apps and where videos are stored
2. Consider and develop the checklist for offsite premises
3. Video for state board to be developed
